I was not surprised that Kavita was the only one to keep her wits.

She had managed to escape and go for help.

I had thought she would go to the cantonment and get my men.

Instead ...

...she went to her future husband, the Maharaja Rao. Whether she knew at that time, it would seem that in her heart, she was already his ... as the arrival of Sarah made her think she could no longer be mine.

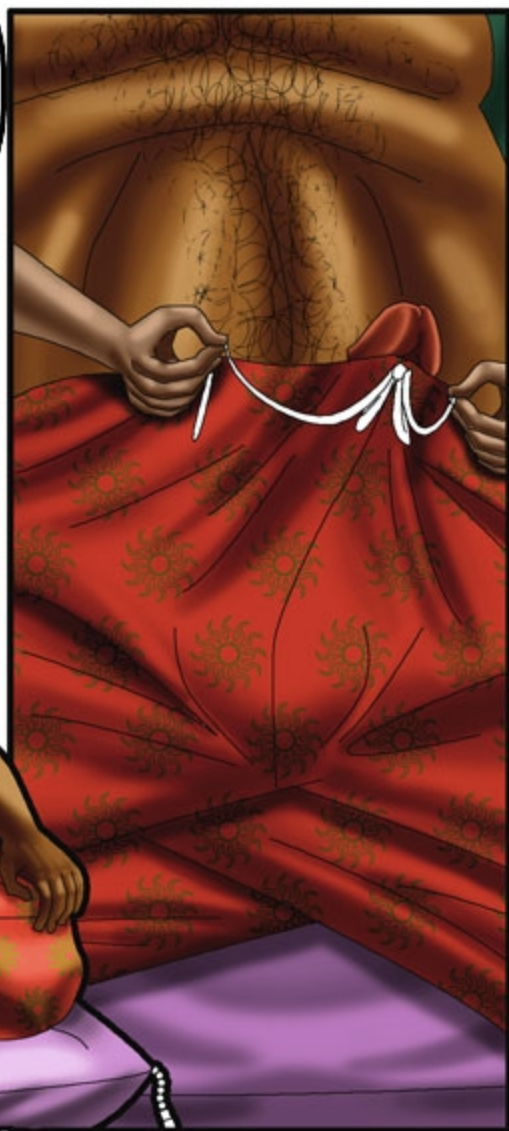

Oh, Ryan.
I'm sorry, but I
can't think of
anyone else
to help us!

The Captain's
whore has
escaped.
That is not
acceptable.

Someone will need to be
punished. I cannot have prisoners
escaping. Especially not some village
woman who is promised to
someone else.

Who shall
pay for Kavita?

So, Ravi?
Who do you
think should
be punished?

That Gora
bastard stole
the one thing
I loved.

Now she
is gone. I think
I deserve equal
payment.

His gori would
make good
payment.

Then enjoy her as I am sure
her husband has enjoyed your girl.

Turn
around.
Get on your
knees.

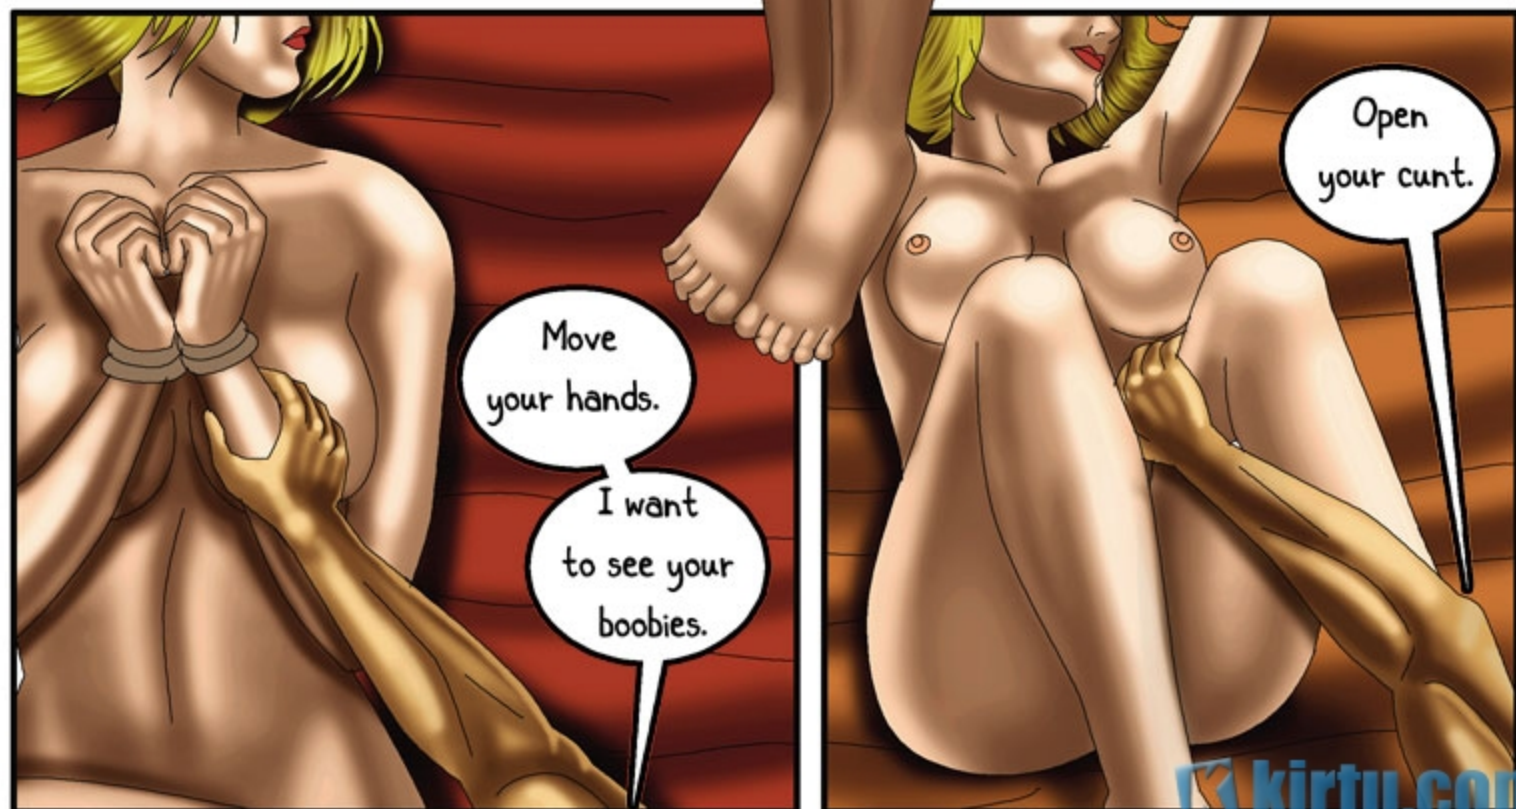

Like
a dog!

UH...

UH! UH!

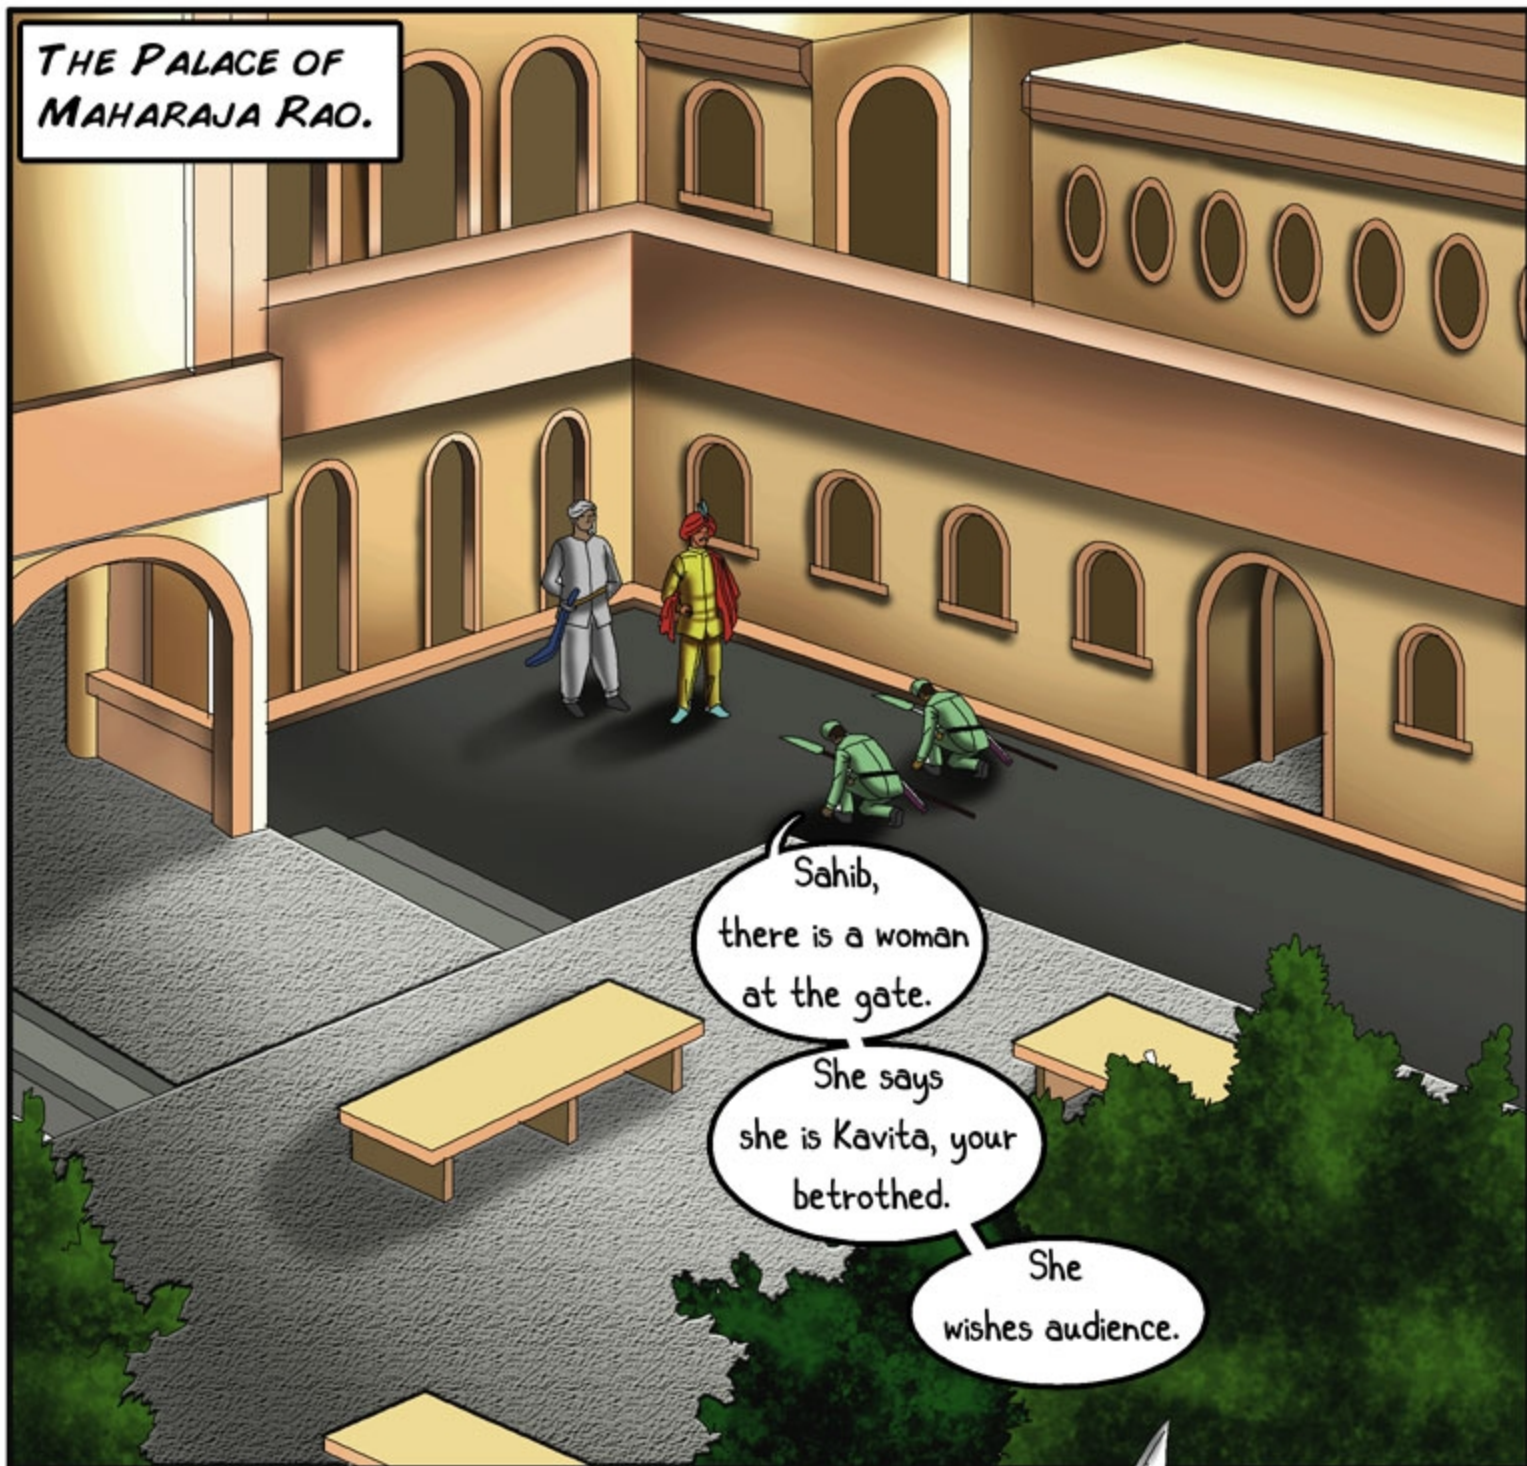

Ah! So nice
and tight.

*THE PALACE OF
MAHARAJA RAO.*

He sent men to kidnap me

He attacked a caravan of British ...

and he has taken the commander
of Shirkarpatnam prisoner.

And, you managed to escape?

Yes. They ... They also took his sister in law. And, while they ... enjoyed her ...

I was able to escape ...

I could think of no other place to go to ask for help, your majesty.

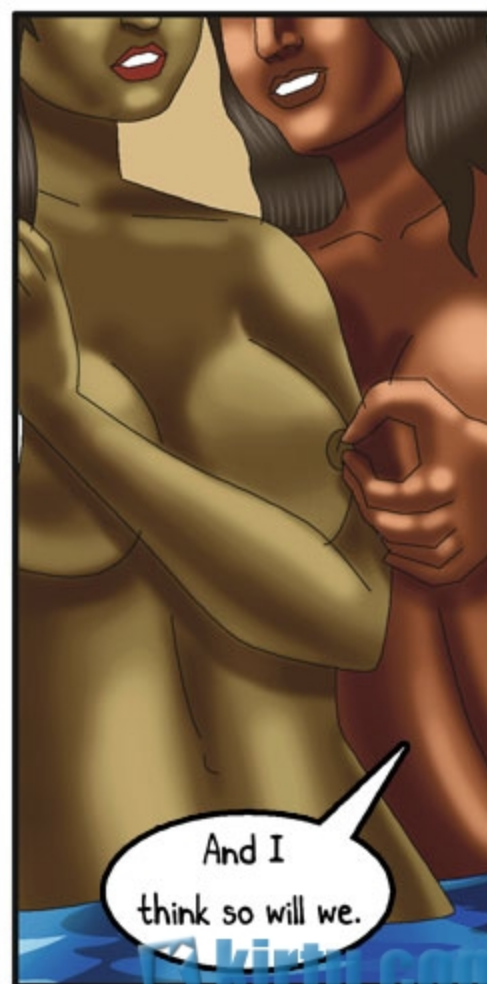

LATER ...

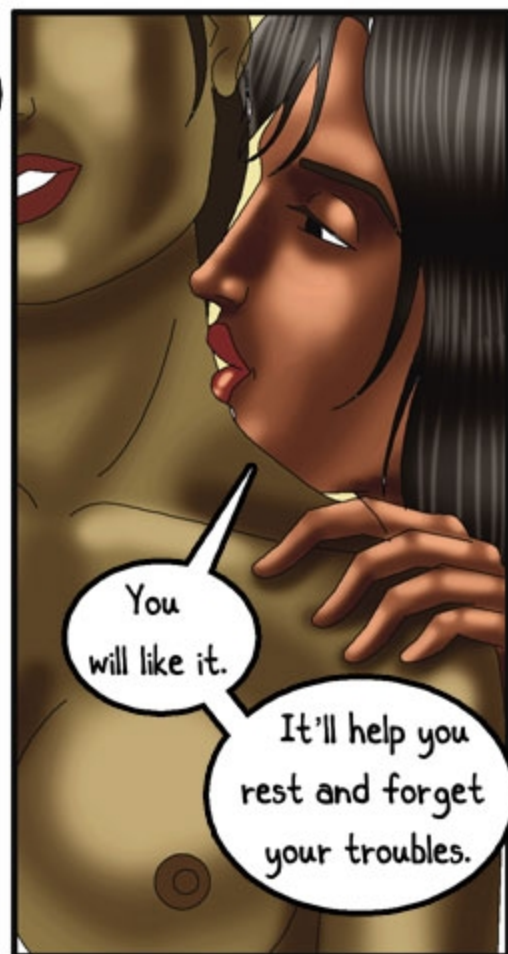

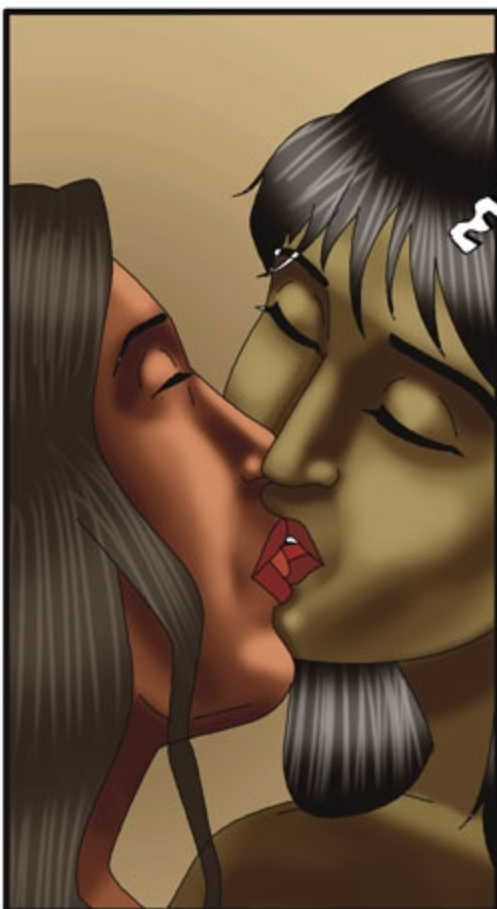

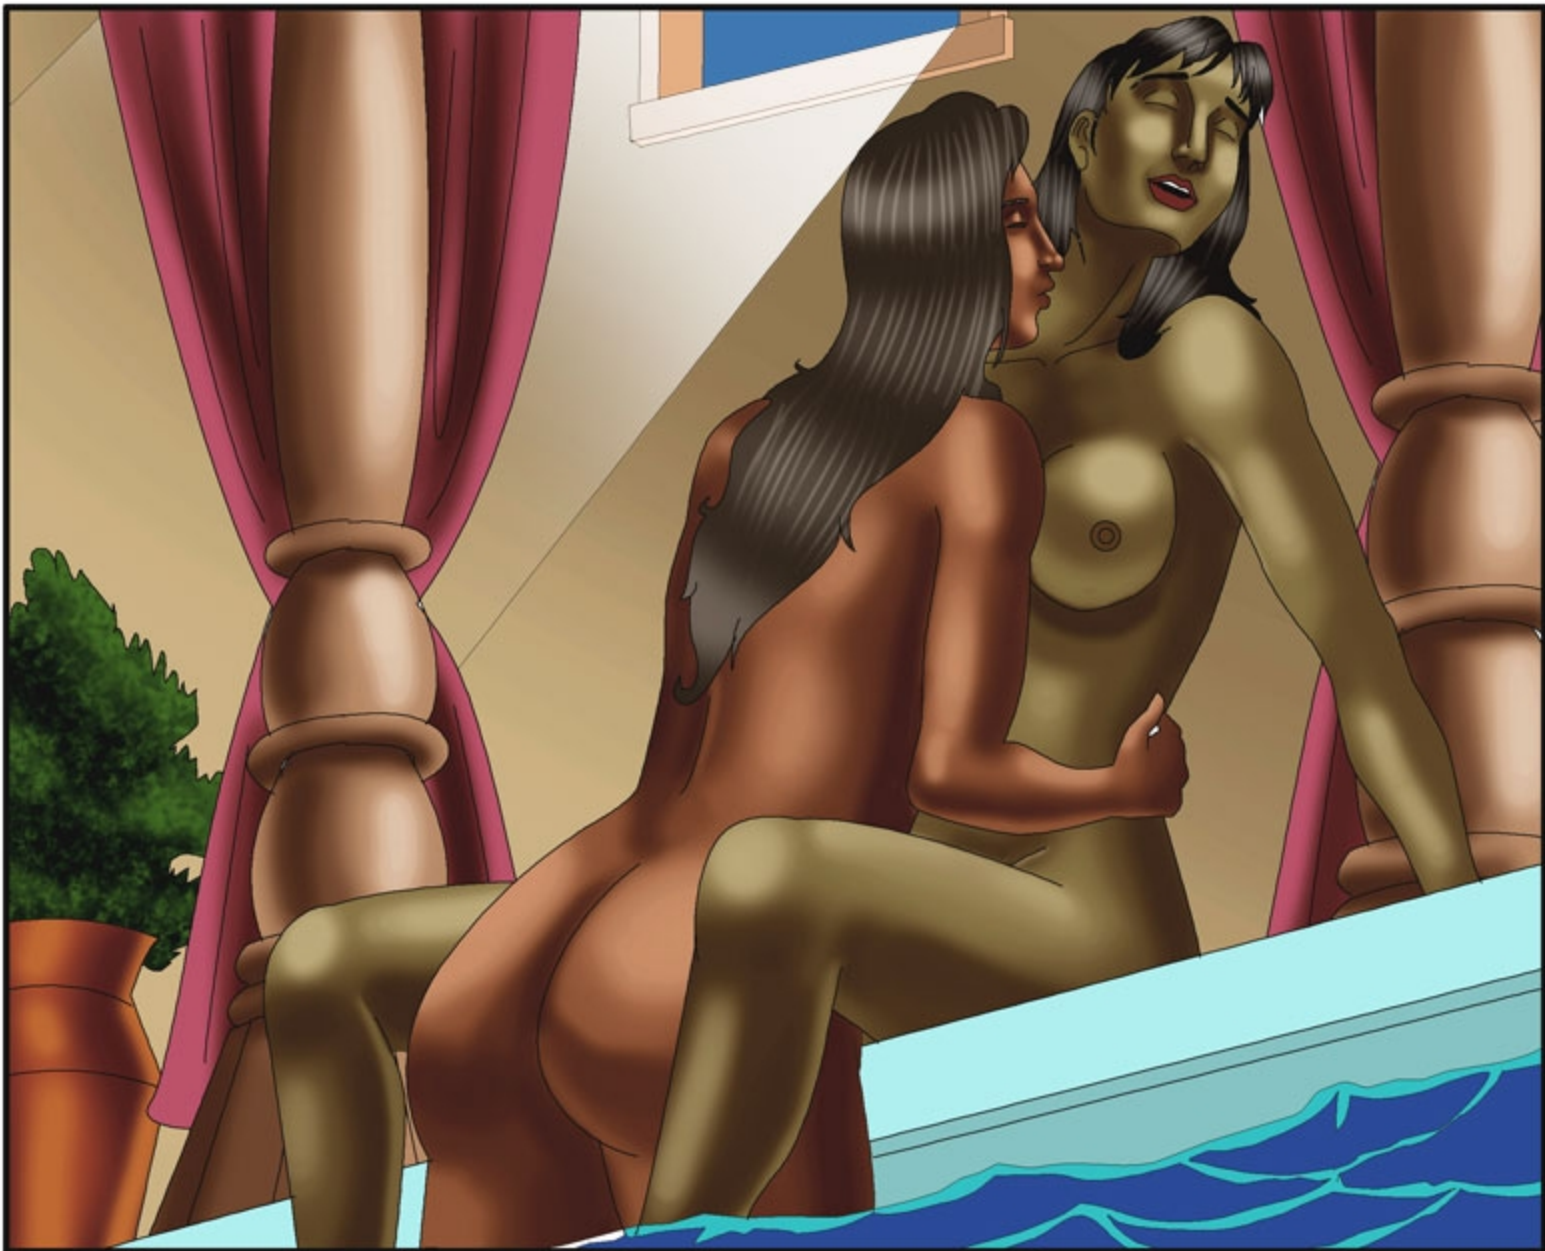

You will be
my sons 15th wife.

As a guest
and his betrothed,
you are welcome here.

First, let us
bathe you and get
you ready.

Oh ...
Kavi ... Kavita ...
uh!

That
feels good.

Oh, Ryan.
What am I
doing?

*Kavita?
Yes, that you
are.

UH ...

OH HHHH ...

UH!

UH!

Oh! That's ...
That's so ...

oh,
So good!

No,
my friend.

It is
your wife
who has
paid.

You
bastard!
I swear ...

No need
to be hostile.

I actually thought
you might want to enjoy our
hospitality as well.

Bijli has been
begging to have some
white cock since Ravi
first came to us.

I'll deal
with Ravi as well.

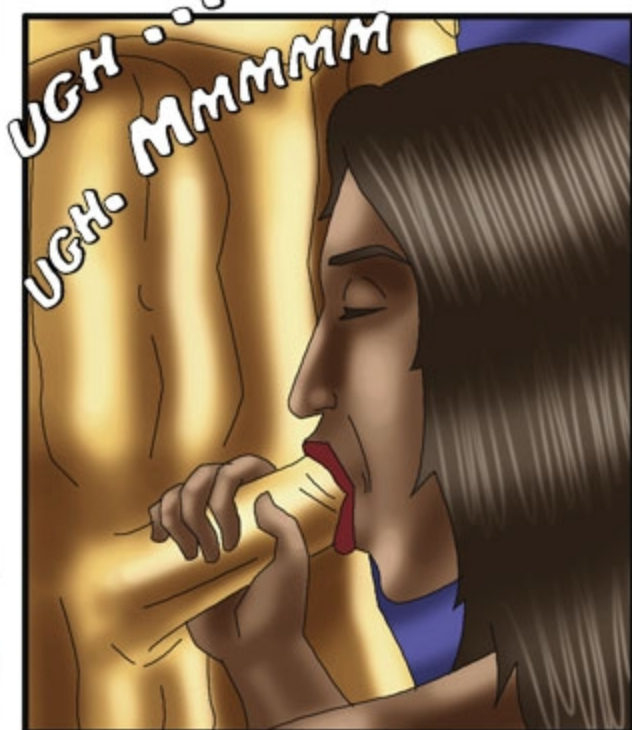

You should
be happy Captain.

I broke
in your wife
for you.

And,
she rides
well.

I had not thought that the Maharajah would come to our rescue, but he came and for that, I am forever in his debt.

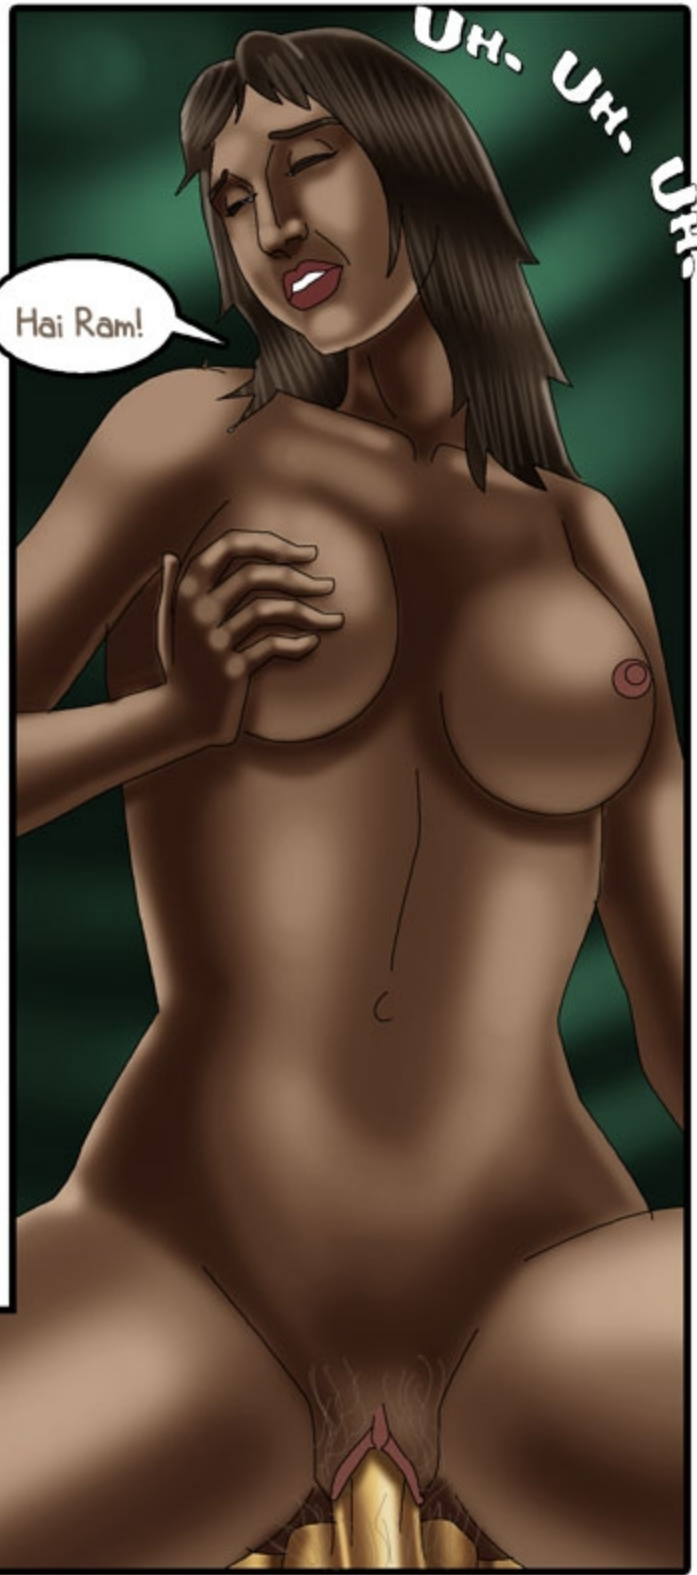

You know your orders.

Khan must be dealt with and the women rescued.

If the Captain survives, so much the better. If not, so be it.

He does not offer as much as you, my Khan.

But gora cum tastes so nice.

Khaaaaaan!

The Mahara jah's timing was excellent.

The Khan's men
stood no chance

Rao cut the dog to pieces
as Khan had done to
Mr. Singh and Sgt. O'Reilly.

Ravi was mine!

Kavita told me what she had done, and why she could no longer be mine. The debt had to be repaid

Sarah and I would start again in England. After all we had gone through India no longer held the charm it once did for me and Sarah had come to despise the country.

Katherine, however, had found a new life. She would be the Maharajahs 16th wife. As she told Sarah when they parted, what girl didn't dream of becoming a princess?

We shall
start again
my dear.

In England,
we shall find love
and happiness.

Yes,
my love.

But, will
you not miss
this land?

Will
you not ...

No,
my love.

This country
no longer holds me.

The End
